What is the Chamber of Commerce?

The Carlisle-Nicholas County Chamber of Commerce is a voluntary, 501(c)(3) non-profit partnership of business and professional people working for community development and towards improving the quality of life throughout Nicholas County. The Chamber organizes and supports the ideas and energy of its members to accomplish what no one could do individually.

Services Provided to Chamber Members

- Business referrals
- Networking opportunities
- Listings on the Chamber website
- Your business website and Facebook page linked to the Chamber website
- Presentations addressing various topics of interest to the business community
- Resources for businesses looking to expand in the Carlisle-Nicholas County market

The Chamber's Mission

The mission of the Carlisle-Nicholas County Chamber of Commerce is to create opportunities for businesses and residents to work cooperatively in order to promote the economic, cultural, social and educational development and well-being of the community.

The Chamber's Vision

- Unify the direction of the business community in partnership with the City, the County, and the Economic Development Authority
- Improve the quality of life of county citizens by enhancing the business environment with particular focus on downtown Carlisle
- Support sustainable development that is socially, economically and environmentally viable
- Promote and encourage private enterprise
- Help inform the public about issues that affect the entire community
- Sponsor events that promote community involvement
